NCP is a proudly South African company which qualifies for SME status. N.C.P. specializes in providing a wide range of construction services to property developers, real estate companies, golf estates, government projects and the general public.

We at N.C.P. believe we have strength in numbers which is why we form part of a joint corporation and work in conjunction with a number of other existing construction companies.

N.C.P. strongly believes in skills transfer and is committed to train and develop unskilled labor and thus promote black and economic empowerment.

The main purpose of our business is to ensure our clients receive the level of quality they come to expect. We aspire to be ranked one of the top companies in the country which offers such services.
